

Facility Safety Checklist

Rescue Equipment			
Check	Initials	Item	Notes
		Rescue Tubes	
		Rescue Board	
		Non-motorized Craft	
		Motorized Craft	
		Mask and Fins	
		Reaching Pole	
		Ring Buoy	
First Aid Equipment			
Check	Initials	Item	Notes
		Hip Packs Resuscitation Mask Disposable Gloves First Aid Supplies	
		Backboards with head immobilizer and straps	
		First Aid Kit Fully Stocked	
		Crash Kit Fully Stocked	
		AED Pads within Expiration Battery within Expiration Self Diagnostic Ran	
		Suctioning Equipment	
		Emergency Oxygen Delivery System	

Safety Equipment			
Check	Initials	Item	Notes
		Lifeguard Stands in Good Condition	
		Communication Devices in Good Condition	
		Emergency Stops Tested and Working	
		Telephone - Directions for Emergency Calls Posted	
		PPE Available Gloves Gowns Face Shields Bloodborne Pathogens Spill Kit	
		Lifejackets Available and in Good Condition	
		Umbrella in Good Condition	
		Sunscreen Available	
Operational Conditions			
Check	Initials	Item	Notes
		Bottom Free of Hazards	
		Water Clarity	
		Water Level	
		Water Temperature within Specified Range	
		Air Temperature within Specified Range	
		Lighting - Underwater and Above Ground Working Properly	
		Water Chemistry within Specified Range	
		Drain Covers Undamaged and Secure	
		Suction Fittings Undamaged and Secure	
		Circulation System withing Specified Ranges Flow Rates Filter Differential Hair/Lint Strainer Gutter/Skimmer Baskets	

CHAMP

AQUATIC MANAGEMENT PROGRAM
